

## MIDCENTURY MODERN ARCHITECTURE: ST. PAUL SUBURBS

**Note:** This list of midcentury buildings and places (ca. 1945-ca. 1970) which also includes a few earlier Art Moderne-style structures, was prepared as part of the research for my book, *Minnesota Modern: Architecture and Life at Midcentury* (University of Minnesota Press, Fall 2015). Entries are organized under cities, building type, and then by street address. Most entries also contain the abbreviated names of sources where photos and/or additional information can be found. – Larry Millett

### KEY

**(G)** Building or place with an entry in the *AIA Guide to the Twin Cities*

\* Indicates where a photo or other illustration of the building may be found

+ A building mentioned and/or illustrated in *Minnesota Modern: Architecture and Life at*

*Midcentury*

Underlining indicates groupings under which multiple buildings are listed

*Italics* indicate a lost building or place
