

MIDCENTURY MODERN ARCHITECTURE: MINNEAPOLIS

Note: This list of midcentury buildings and places (ca. 1945-ca. 1970), which also includes a few Art Moderne-style structures, was prepared as part of the research for my book, *Minnesota Modern: Architecture and Life at Midcentury* (University of Minnesota Press, 2015). Entries are organized under neighborhoods, building type, and then by street address. Most entries also contain the abbreviated names of sources where photos and/or additional information can be found.— Larry Millett

KEY

(G) Building or place with an entry in the *AIA Guide to the Twin Cities* and/or the *AIA Guide to Downtown Minneapolis* or the *AIA Guide to the Minneapolis Lake District*, all by Larry Millett

* Indicates where a photo or other illustration of the building may be found

+ A building mentioned and/or illustrated in *Minnesota Modern: Architecture and Life at Midcentury*

Underlining indicates groupings under which multiple buildings are listed

Italics indicate a lost building or place
